EXAMINER'S AMENDMENT AND REASONS FOR ALLOWANCE

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Weyne Tan on 1-10-05.

The application has been amended as follows:

In claim 24, line 5, replace "first" (second instance, before "device") with –communication--.

In claim 25, line 2, replace "first" (second instance) with –communication--.

Allowable Subject Matter

Claims 1, 2, 4, 5, 7, 8, 10-22, 24, 25, 27 and 30 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 1, 4, 7, 12, 16, 17, 21, 24 and 27 teach towards an apparatus and method for searching a second device at a first device wherein the first device may transmit a search message and the second device may receive and reply to the message, wherein the first device may set the range of the message by a setting means which may set a range of the message and a directivity of the message. Claim 11 teaches towards an apparatus and method for searching a second device at a first device wherein the first device may transmit a search message and the second device may receive and reply to the message, wherein the first device may set the range of the message by a setting

means which may set a range of the message and further display information acquired by the response message every time it is received, and to terminate transmission of the message via the input of a termination message. Claim 30 teaches towards an apparatus and method for searching a second device at a first device wherein the first device may transmit a search message and the second device may receive and reply to the message, wherein the first device may set the range of the message by a setting means which may set a range of the message, wherein the range may be user-designated.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
